Waste Management provides weekly brush pickup in Campton Township. If you reside in Campton Hills and live in Plato Township, your trash service provider is DC Trash and follows a different contract.

Do not put any yard waste into your garbage cans. Mixed loads cannot legally be collected, and will be left at your home.

Tree and bush branches can be securely tied together into bundles for pick-up. Attach a Waste Management yard waste sticker to each bundle. Bundles cannot exceed 4’ in length, 2’ in diameter or weigh more than 50 pounds.

Waste Management yard waste stickers may be purchased at most neighboring grocery stores.

The Campton Township Highway District offers brush pick-up as a service to township residents. It collects brush according to an announced schedule each year. For details call the Highway District at 630-365-9300 or see the Campton Township website, then click on the Highway District button at the top of the page, then on the BRUSH REMOVAL button on the left.

Please make sure your brush conforms to the Highway District guidelines for pick-up.

In the event of a severe weather event, please call the Highway District to inquire about a special brush pick-up.
**Burning Brush and Snow Information**

**Burning Rules**
- Brush is the only material that can legally be burned in most areas of the Village.
  - Includes: tree trunks, limbs, branches and twigs.
- Brush may be burned in two manners:
  1. Recreational fires are allowed any time, as long as they are no larger than 3’ x 3’ x 3’
  2. Larger piles of brush may be burned only under certain conditions:
     A. Sunny Day
     B. Between 9:00 AM and 3:00 PM
     C. Wind Speed is less than 10 MPH
     D. Brush shall be dry when burned
     E. Burning is not permitted on public or private roads, alleys, sidewalks or easements
     F. Must be supervised
     G. Cannot be within 20 FT of any structure of property line
     H. A fire extinguisher or water source shall be available at the burning site
     I. It is the owner’s responsibility to determine satisfactory conditions for burning

**Snow Removal**
- Please keep cars off the street until a storm is done and your street has been plowed
- Snow plows will discharge snow to the curbside of the street and inevitably into some driveways; if you can delay shoveling your driveway until the street has been plowed you will save yourself a lot of hassle.
- If your mailbox is accidentally knocked over or damaged, please call the Highway District directly at (630) 365-9300.
Village Committees and Commissions

The Village of Campton Hills needs you.....
What better way to get involved with the community you live in

Community Relations Commission
To organize and promote local events and build on tradition and history by partnering with businesses, organizations, and individuals to foster community bonds.

Finance Committee
To provide financial oversight and guidance to the Village Board, recommend the annual budget, and review investment strategies and financial policies.

Fire and Police Commission
To appoint full-time police officers, assist with discipline-related matters, and conduct all entrance and promotional examinations as needed.

Plan Commission/Zoning Board of Appeals
Make recommendations concerning the comprehensive plan and zoning matters including text and map amendments, special use permits, variances, and planned unit developments.

Police Pension Board
To control and manage the police pension fund for the Campton Hills Police Department.

Public Works Committee
To make recommendations on matters such as road maintenance, snow plowing and other such projects.

If you are interested in volunteering on any of the Committees, please contact President Tyrrell at mtyrrell@villageofcamptonhills.org.

Please note, not all Committees have current openings but we would be happy to keep your information on file should an opening occur.
