

Police Chief Greg Anderson  
Village of Campton Hills Police Department  
40W115 Campton Crossings Drive, Unit B  
Campton Hills, IL 60175

November 27, 2008

Dear Chief Anderson:

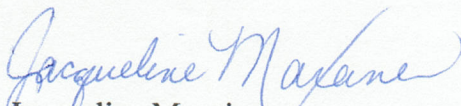

We were driving to a dinner party last Saturday night (Nov. 22<sup>nd</sup>) when we experienced a flat tire on Route 64. We pulled the car over, and soon a police car pulled up behind us driven by Officer Brandon Roth.

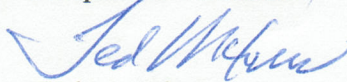

He courteously assisted, so that we could be on our way and not miss our dinner. Unfortunately I had never taken the jack out of the car, and was unfamiliar with all the parts. There also were three 40lb. bags of birdseed that had not been unloaded from the trunk. Officer Roth took all this in stride.

As he was leaving I notice that his license plate began with "M", and I asked him what town he represented. He answered "Campton Hills." We had heard about the new town of Campton Hills, but had never given it much thought. However, with good public servants such as Officer Roth, we are certain that your village will meet with every success.

Please share our gratitude with Officer Roth for making this journey through your village a pleasant experience..

Sincerely yours.

  
Jacqueline Maxeiner
