

Dear Chief Hoffman and staff,

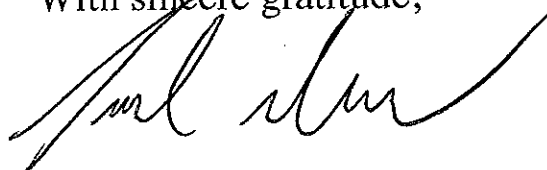

I'd like to extend my extreme gratitude for all of your hard work and efforts put forth in my case.

My wife and I are devastated by what has been done to our home in such a calculated and blatant manner. It has brought great peace of mind to know there is law enforcement that has been so responsive and supportive.

I would like to donate this camera to your department so that you may have up to date equipment to help others the way you have helped my wife and me.

Again, my wife and I thank you from the bottom of our hearts, for acting so quickly on my behalf and showing me a bit of light at the end of what has been a very long, dark tunnel, no thanks to Peter and Samantha Mazzara.

With sincere gratitude,

Todd and Lisa Gibson
