**VILLAGE OF CAMPTON HILLS ANNOUNCES THAT JOBS ARE AVAILABLE  
TO HELP CONDUCT SPECIAL CENSUS**

*Village Says Special Census Will Help Increase Revenue*

CAMPTON HILLS – The Village of Campton Hills has announced that jobs are available immediately for interested parties to participate in the “Special Census” effort that is being conducted. Village officials worked with the US Census Bureau to have the 2000 population certified, but now are seeking a special census to better reflect the population of the growing community. A more accurate population count is imperative so Campton Hills’ residents get their fair share of State Income Tax, Motor Fuel Tax and State Use Tax returned to their local communities. In 2000, the estimated population of Campton Hills was 10,504.
